

ITAWAMBA CHRISTIAN CHURCH GUIDELINES FOR YOUTH EVENTS

- All youth activities are group events, and everyone who participates must remain with the group at all times.
- All vehicles used for transportation must be driven by an adult.
- Each student must travel in the same vehicle going to and returning from any event, unless specifically cleared with the youth leader.
- Drivers need to have a list of their riders.
- Each student must have a signed permission slip before departure, and a copy must be on file in the church office. (Return this form to the youth leader, and he/she will make a copy for the church office.)
- There must be at least one chaperone for every five children.
- We expect everyone to obey the chaperones. (Disrespect will not be tolerated.)
- The following are prohibited: weapons, illegal drugs, tobacco, alcohol, profanity, fighting, and inappropriate displays of affection (see the youth leader if you have questions as to what all that entails...). Remember, we are representing Christ.
- In the event of any injury, sickness, or serious misconduct, parents will be contacted.
